Foreword

If you sit in your arm chair, old and gray,
Longing for youth and some school day,
Remember your "Reflector" on its shelf
Will surprisingly reflect your former self.
In pictured review this book greets you
With many features you once knew
And as you observe the page you turn
Many faces you'll there discern.

Dedication

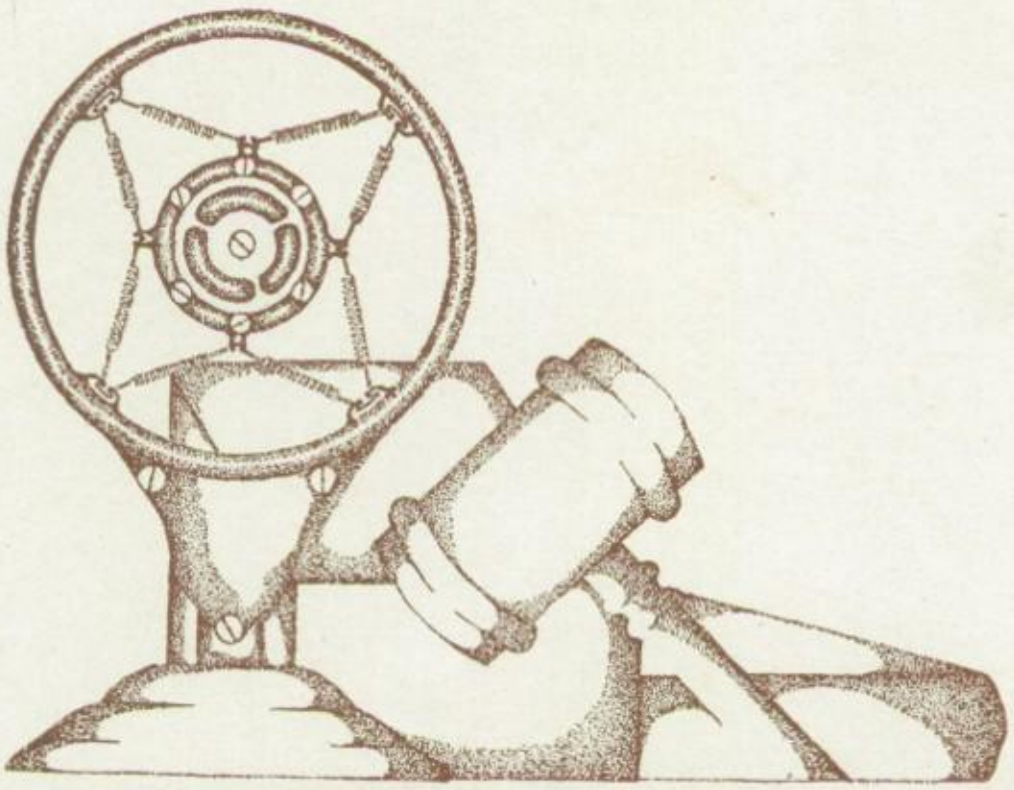
To you, Lloyd David Hand, we dedicate our Reflector, knowing that you have devoted many faithful years of helpfulness to our value. As a final measure of devotion we hereby dedicate to you. our Reflector.

ADMINISTRATION



Principal's Message

Members of the graduating class: You have come to an important period in your lives. The test of your intelligence will be your ability to take your own lives just as they are, and do something with them. The idea of growth and development has, I am certain, always been before you in the process of your training. The public schools, it would seem, do more than merely transmit knowledge and training; they are America itself in miniature. In them you have experienced citizenship with its social contacts, its recreations, its ethical problems and its political practices. You have no doubt developed ideals that will serve to shape your whole adult life. Experience has undoubtedly been gained that will be valuable for all the years of maturity. If you can sense your responsibilities at this important period in your lives you have profited by your experiences in school. May I quote from a popular verse four things that you should try to do if you would keep your record true?

"Think without confusion — clearly
Love your fellow men sincerely
Act from honest motives purely
Trust in God and heaven securely."

The future should be beautiful, broad and entrancing to you, and I trust you will make the most of it. I hope that you will get to the very summit of usefulness and honor, and I sincerely wish for you all that will serve to make your lives useful and happy.

Mr. Lloyd D. Hand for his loyalty, counsel, and help to the Seniors at all times. Without his guidance and excellent support we could not have produced as fine and successful a yearbook as we have.

Mr. Montford E. Illick, who allowed us time and arranged schedules so that we might carry on our various activities and do the tasks necessary to make our entire high school career enjoyable and our yearbook a success.

Miss Elizabeth M. Snyder and James Jones who willingly sacrificed their own time to typewrite the material for our yearbook in order that it might be sent to the press.

Mr. Kenneth M. Landis for his wonderful co-operation and assistance in directing our class plays.-

Year Book Advisors

CLASS HISTORY

As we, the class of 1938 look back once more before we say "Au Revoir" to Hellertown High School we recall fond memories—memories of teachers, books, work, and pleasure.

Freshmen

When we, the class of 1938, entered Hellertown High School in 1934 we numbered 112. As freshmen we were eager to learn and to begin our High School Career. As this was our first year in High School, we were always on the go, although a little backward. Many of the freshmen took great interest in Music, Athletics, and Art.

Sophomore

When we entered school again in the fall of 1935, we numbered 91. We lost no time in electing the following officers: President, Paul Chiz; Vice President, Donald Hagey; Secretary, Isabel Boehm; Treasurer, Bernard Strawn, and Class Adviser, Mr. Lloyd Hand.

As Sophomores we held a raffle which was our first financial success. We also held a Sophomore Party at which everyone enjoyed himself.

Before we realized it, our final exams were creeping up on us, thus ending our Sophomore Year.

Junior

In the fall of 1936 the class began its career as Juniors with 67 members. The following officers were elected: President, Paul Chiz; Vice President, Louis Vargo; Secretary, Isabel Boehm; Treasurer, Minnie Moran, and Class Adviser, Mr. Lloyd Hand.

Class Rings were obtained in our Junior Year. A successful Card Party was held at the beginning of the year. On Christmas, Cards were sold by the Class. A Poultry Card Party was held which helped to raise our financial standing. The Junior Class Play, "A Good Egg" under the direction of Mr. Kenneth Landis was presented to a large audience. Our Scholastic average for this year was good. For obtaining the highest average for four periods our class secured the right to have its numerals engraved on the cup.

On May 28 we gave the Seniors of 1937 the annual Junior-Senior Reception. The Auditorium was decorated and we danced to the music of Frank Doddy.

Senior

As we returned in the fall of 1937 to travel our last stretch of school life we numbered 64. During the year we added a new member to our Class.

On returning to school we were informed that the school was now offering General Course and Academic Courses. We are the first class to graduate under this arrangement with 54 Students graduating from the General Course and 11 from the Academic Course.

Later, at our first class meeting we elected the following officers: Paul Chiz, President; Louis Vargo, Vice President; Isabel Boehm, Secretary; Minnie Moran, Treasurer, and Mr. Lloyd Hand, Class Adviser. The Year Book Staff was elected with Dorothy Reiss as Editor-in-Chief. In November the Senior Class Play "Only Sally Ann" under the direction of Mr. Kenneth Landis was presented to a large audience. We also held two successful Card Parties. On Christmas the Class sold Cards and Candy. On May 13 the Seniors held a Card Party and a few weeks later a Raffle. On May 26 the Seniors dressed up and presented a minstrel "Man Made" to the student Body. On June 3 the Juniors gave the Seniors the annual Junior-Senior Reception. On Sunday, June 5 the Class attended Baccalaureate Services at the Christ Evangelical and Reformed Church at 7:30. Class Day was held on June 8 with the Seniors presenting a musical and dramatic program. Commencement was held on June 10 with the six honor students taking part. A Short Play "Woman, A Citizen" was presented to the Audience.

Isabel Boehm.

Class Poem

We have crossed the bay,
The ocean lies before us;
May Alma Mater help us,
And see us lead the way.

We've sailed the ship together,
Through billow, wave, and foam;
We've battled all the weather,
We'll soon be out alone.

Whatever may befall us,
In life's long journey's end;
We'll strive to be victorious
And e'er our school defend.

But now as time draws closer,
To this sad parting hour;
May all the hopes we cherished,
Be strengthened with our power.

Without a hand to guide us,
On life's threshold we stand;
To make decisions bravely,
And meet the world's demands.

—Minnie Moran.

Class Song

Happy days we spent together
All through fair and stormy weather,
Sharing happiness and sorrow,
Ever planning for the morrow.

Lessons learned, we'll keep in mind,
Life's vocations we must find,
Striving e'er our best to do,
Alma Mater, we'll stand true.

We, from friends we loved, are parting,
New lives in this world we're starting,
Mem'ries of this school so dear,
Will stay with us, year by year.

Chorus:

We'll always try and ever aim high,
To reach our goal.

Minnie Moran.

CLASS PROPHECY

Ritz Carlton Hotel
New York City
June 10, 1950.

Dear Diary:

What a hectic day this has been! On this twelfth anniversary of my commencement at Hellertown High School, I landed in New York City, fresh from stylish Paris. On Fifth Avenue I met my old principal, Mr. Illick, whom I hadn't seen for six years. We spent a delightful evening reviewing old times, and I found out very much news about all my old friends at dear old Hellertown High.

During the evening we visited the Metropolitan Opera House where Bizet's "Carmen" was being enacted. Imagine my surprise when Evelyn Mease stepped on the stage to sing the title role; John Weber supported her lead by singing the role of Juan. Between the acts, Louisa Seifert, concert accordianist, favored the audience with several selections. After the opera we went dancing. Upon entering the Hollywood Restaurant, we immediately saw Harold Eckert leading a marvelous dance orchestra. Louis Vargo was in charge of the floor show in which Helen Bednar and Andrew Hanzlik were adagio dancers. And who do you suppose was acting as bartender? None other than Norman Boehm.

I was much surprised to learn that in the new High School Minnie Moran had taken Mr. Illick's place as principal. Willi Maintz is teaching German and Geometry. Verna Eisenhart has charge of the French and English departments. Marie Wolst is teaching Problems of Democracy. And above all, I learned that Mary Kovach had been elected to the position of County Supervisor of Public Schools. Marguerite Reiss and Irene Horvath are teaching elementary grades in the Reinhard Building.

In the large fifteen story office building where "Ted's" formerly stood, Emma Reilly, Grace Shimer, and Evelyn Werkheiser are employed as secretaries. One entire floor of this building is occupied by Walter Pasternak, Contractor. Anita Potts is serving as his private secretary, with Anna Martin as her assistant. Merrit Hunt and Dorothy Fluck are employed as Mr. Pasternak's bookkeepers.

Paul Chiz has become one of the country's best known criminal lawyers. Isabel Boehm Zimpher is employed as his secretary.

In the large hotel that has been erected, Charles Zimpfer is employed as manager with Annie Catherine Seifert as his stenographer. The Chef, Benjamin Muschlitz has Quintus Strauss as his assistant. Mary Skibo, the chief waitress is assisted by Betty Fritchman and Beatrice Bernhardt. Helen Bosich and Rose Momich are in charge of the hotel's beauty-shoppe.

In the South-Mountain-View Hospital, Bernard Strawn is an able surgeon. Velma Doncsez and Dorothy Fulton are registered nurses. Lillian Beil, head nurse, has recently published a very popular book of poems called "Memories of H. H. S."

In the Conservatory of Music, Helen Pastir and Dorothy Snyder are teaching piano, and John Stofan is teaching violin.

The damming of the Saucon Creek, to furnish Hellertown with electricity, was in charge of Edward Godycki and Ira Koplin, Civil Engineers. The laborers who helped to build the dam included Austin Eisenhart and Charles Fulmer.

Elmer Allman is captain of the United States Coast Guard in San Francisco.

Kazmer Beyer has been employed by the T. W. A. air lines as pilot, for the past four years.

Donald Hagey has been a Judge in the Court House in Easton. Ralph Pearson has been elected as District Attorney of Northampton County. Walter Guro is his private secretary.

Walter Bernhardt has just returned from a trip around the world on which he has been collecting Bookkeeping books of different countries.

Leon Brown has been captain of the New York Celtic's Basketball Team since 1947.

Oscar Schick has recently won the Minneapolis Speed Race Title in his high-powered motor called, "The Helen".

John Holley has been employed by the Hudson Bay Company for the past four years. He recently made a magnificent cape of silver-fox fur for the Queen of England.

Elton Koch has recently been elected President of the National Barber's Convention.

LeRoy Kramer and Warren Laubach are co-owners of a large agricultural tract of land outside the city limits of Hellertown.

Russel Quier, who in his spare moments operates a farm in Lower Saucon, preaches in one of the large churches in the city.

Arthur Schrantz has become one of Hellertown's leading butchers.

Arlington Seifert and Ruth Wetzel are in charge of the model-house that has been erected by Contractor Pasternak.

Mrs. Elias Grube, the former Katherine Cope, has won the state title as "The Best Woman Potato Grower".

It is getting late, dear Diary, and I must say good night, for I am getting very sleepy. But, I feel a queer homesickness once again as I think of all the dear friends in Hellertown to-night.

ALMA MATER

Though we journey far asunder
All through this life
Yet these hearts of ours grow fonder
All through this life
For our High School Alma Mater
Where we spent our days together
Laugh at stormy days and weather
Glad carefree life.

From our hearts the world can never
All through this life
Drive that fondness out forever
Out of this life
Joys we are in memory keeping
Fruits of school days always reaping
Gratitude is never sleeping
All through this life.

As we reach the time of parting
To go through life
Onward, upward we are starting
To go through life
When the task of duty presses
And when praise no more caresses
May our High School help and bless us
All through this life.

Debate Team

This year our debating team completed its fifth year of competition. The question for debate was the proposition, Resolved: That the several states should adopt a unicameral system of legislation.

For the first time a two-man team was used against Catasauqua and South Whitehall. Against Frenchtown the traditional three-man team was used.

Cheerleaders

This year's cheer leading squad was composed of nine members under the direction of Mr. Scheetz. While cheering, the team looked very attractive in their maroon and white uniforms. They have showed a large amount of improvement from previous years. More efficient cheers were in use throughout the sporting seasons. The effective cheers, and active movements of the cheer leaders brought forth favorable responses from the student body.

Reading left to right: First row—Maurer, Koplin, Fulmer, Eckert, Bortz, Loux, Trefny.
Standing left to right: Makoski, Duh, Wascho, Hulak, Strawn, Gad, Brown, Rogers, Reily, Coach Hoppes.

Soccer

Hurrah! Another goal. Although these words were sparingly proclaimed by Hellertown supporters, the soccer team of '37 need not be ashamed of its record. Coach Hoppes began the '37 season with a team composed of four hold-overs of the '36 season, and a group of inexperienced boys who wanted to play soccer. The returning players were James Hulak, Roy Rogers, Andrew Hanzlik, and Ira Koplin.

If fight and clean sportsmanship would win games, the Hellertown soccer season of '37 would not have been marred by defeat. Now that the boys have had some experience in soccer warfare, may the opponents of Hellertown High beware of the returning boys of '38.

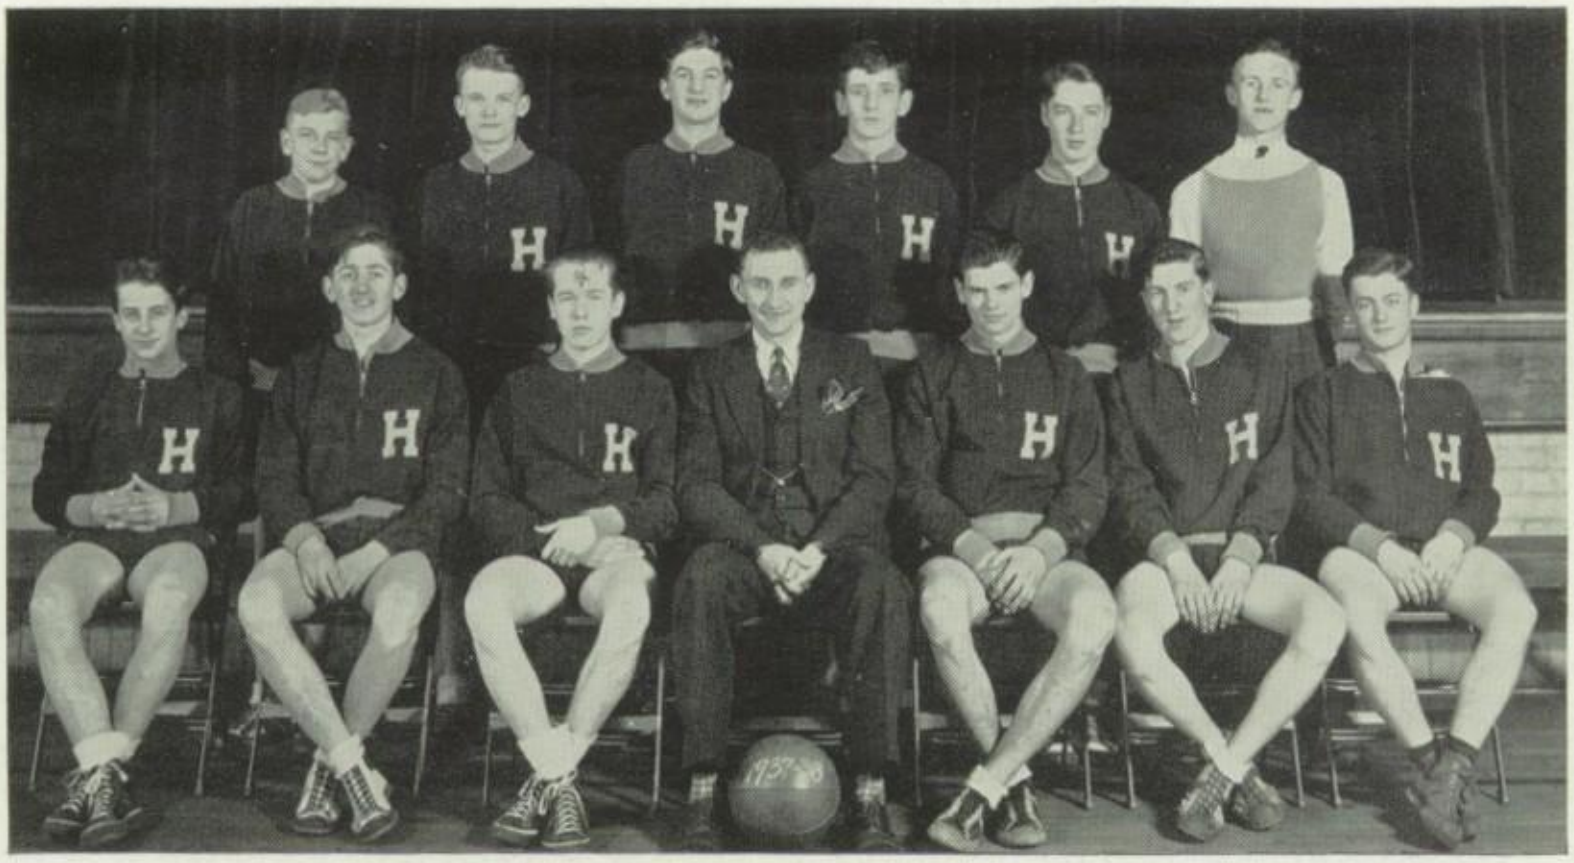
Basketball

Basketball, a fast growing sport in Hellertown High, was opened in 1937-38 by the election of co-captains, Leon Brown and Andrew Hanzlik, for the ensuing year. Coach Fister started the season with two hold-overs, Leon Brown and Andrew Hanzlik. From this outlook the basketball season of Hellertown High did not look so very bright. Coach Fister worked hard to make this a successful year, but too many complications set in, which prevented our team from finishing better in league competition.

The Lehigh-Northampton League worked under a split season for the first time. Hellertown finished fifth in both halves. Better luck next year!



First row, left to right: Potts, Hackman, Ganssle, Coach Fister, Thomas, Machkow, Stair.

Second row, left to right: Hoppes, Kugler, Bortz, Manone, Strawn, Martin (assistant manager).

Jayvee Basketball

The Jayvees of Hellertown concluded a rather unsuccessful basketball season, winning but four out of their twelve game schedule.. The four victories were garnered against Allentown Central Catholic, Coplay, Pen Argyl, and East Stroudsburg. The bright spot of the jayvee's season was the defeat of an unbeaten East Stroudsburg team; a team that had not been defeated for two consecutive years.

Girls' Varsity Basketball

Hellertown High School's basketball team is coached by Miss Loper.

The 1937-38 season was the third year in which the girls took part in interscholastic basketball competition. Although the season was not very successful, the team was always supported loyally.

In addition to the sixteen girls who received uniforms, there were about thirty girls out for the sport. Miss Loper has very promising material for her 1938-39 team.

The team will lose three of its varsity players through graduation; namely, Dorothy Reiss, Helen Bedner, and Rose Momich.

Baseball

The baseball season of 1938 found Coach Fritchman with nine lettermen returning for duty. A new system of selecting a captain will be tried by the Hellertown High School team. A captain will be selected before each game, then, at the end of the season an honorary captain will be elected by the team.

The season of 1938 finds the largest number of boys ever to report for baseball in the High School's history. Of these, there are 9 Seniors, 12 Juniors, 10 Sophomores, 14 Freshmen. From this group Coach Fritchman has to select a team that will campaign a difficult schedule.
